

William B. Cridlin, Jr., Esquire

March 3, 1971

J. S. Osmalov

Outside Idea #294-R - U. S. Patent #3,545,449

The subject idea together with the samples supplied by the inventor were forwarded to Dr. R. B. Soligman in New York for evaluation by the Market Research Department. They indicated no interest in the concept; accordingly, I recommended that this idea be rejected.

Please note that Dr. Seligman has returned the supplied materials to Kay Kegney.
